RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Enclosed herewith is a copy of a Notification of Missing Requirements under 35 USC 371 which was mailed to the undersigned on April 5, 2006. A review of that Notification shows that the first named applicant is set forth incorrectly as Lars KEIL. As may be seen from the enclosed copy of the Combined Declaration and Power of Attorney, which was filed with the application, the first named inventor is Andreas Ewald Heinrich BERNARD. Correction is requested.

In response to the Notification of Missing Requirements, it is to be noted that a Second Preliminary Amendment and Submission of Verified Translation was filed in this application on March 2, 2006. A copy of the first page of that document, together with a copy of the date-stamped receipt card, as evidence of the filing, is enclosed.

A Submission of Materials was also filed on March 2, 2006, as is also indicated by the date-stamped receipt card. That submission indicated translations of the German language

materials filed in the application, and acknowledged as being received in the Notification of Missing Requirements.

The processing fee of \$130.00 for the submission of the English translation later than 30 months from the earliest priority date was paid when the subject U.S. patent application was filed. No additional fees are believed to be required in connection with this submission. If there are any such fees, they are authorized to be charged to the deposit account No. 10-1213 of the undersigned.

Acknowledgment of the receipt of the documents filed March 2, 2006, and of their entry into the file of the subject application is respectfully requested.

Respectfully submitted,

Andreas Ewald Heinrich BERNARD;
Lars KEIL
Manfred Herrmann LIEBLER
